

We have around 70 NVS members in Essex, and we would really value your opinions on our programme, welcoming any ideas you have for the 2018 programme. We would also like to say that everyone is welcome at our meetings – **members or non-members** – so if you know anyone that you feel would be interested in our events, whether they grow for the kitchen or the show bench, are a first time grower or seasoned gardener – please bring them along!

If you would like any further information about the NVS, or would like to share your thoughts and opinions on the Essex DA or NVS as a society, please contact Emily Plumb (details as on front page) or via email at: emily.plumb@btinternet.com

You can find additional information about the Society at:
