

Netting put around framework of tunnel, curbs need to be replaced

Netting goes inside tucked in the bed!!

Me at 15 (HMS Ganges)

All our kit had to be embroidered with your name

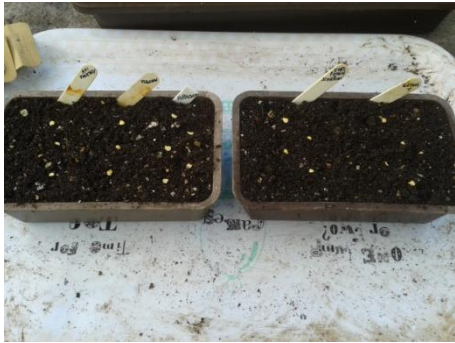

Mess deck, floors were scrubbed with a hand brush!

The famous mast we all had to climb!

Chillies from my mate arrived

Half sown

Covered with vermiculite and firmed

A bit of heat, then watered in with it to keep warm!

Small shallots and garlic in the tunnel doing OK

Outdoor onions, garlic and shallots doing alright
